SEMI PERMANENT  
MAKEUP COURSES

## MICROBLADING EYEBROWS

Microblading is A Semi-Permanent Make Up Procedure that is performed manually using a handheld tool which is a row of needles that creates a blade form. In microblading we create fine hair strokes in the upper region of the dermis using a pigment to give you a natural looking brow. It is a cosmetic tattoo that can last on average Months to 3 years.

Our course contains equal parts theory, semi practical and live model practice to give you a thorough understanding as to how to carry out a Microblading treatment to the best of your ability. You will cover everything from colour theory to anatomy and physiology and will be provided with all the knowledge to enable you to feel confident about performing this treatment.

## INFORMATION

**Days:** 2 Day Course

**Price:** £1399

**Non-Refundable Deposit:** £500 (taken of the course cost) Balance due 7 days prior to course.

### **Who is the course for?**

This course is available to complete beginners which is accredited by CPD or advanced level 3 beauty therapists or equivalent which is accredited by professional beauty

### **Kit Included:**

The full kit included allows you to carry out treatments immediately upon completion of training. The kit will consist of a microblading tool with blades for a minimum of 10 clients and a small pigment kit to get you started. You will also receive a take-home manual and ongoing support.

## MICROBLADING EYELINER AND LIPS

Microblading is A Semi-Permanent Make Up Procedure that is performed manually using a handheld tool which is a row of needles that creates a blade form. In microblading eyeliner and lips we enhance the eyes and define the lips. It is a cosmetic tattoo that can last on average Months to 3 years.

Our course contains equal parts theory, semi practical and live model practice to give you a thorough understanding as to how to carry out a Microblading eyeliner, Lip Liner and lip blush treatment to the best of your ability. # BEAUTY COURSES

## GEL NAILS

Gel nails also known as shellac is a blend of gel and nail polish. Because it is like a polish, it can't be used to extend your nail. However, it does add strength and durability. In the long-term Shellac is much less damaging to nails. The main benefit is that it reduces chipping. You will learn the Application and removal of gel polish.

Enrol on our ONLINE course and do the course in your own time with our expert's guidance along the duration.

Our Online courses are designed to give you the knowledge and confidence to kick start your beauty career.

## INFORMATION

**ONLINE ONLY**

**Price:** £99

Full payment is due 7 days prior to your course date. Missed payments will result in you losing your place on the course and losing your deposit.

## COURSE DAYS

You must be available for all course dates. Any missed dates will result in no qualification issued and you will lose your place on the remainder of the course.

## MODELS

Most courses require your own models. Please ensure you have individuals who will support you on your learning prior to the course.

SPREAD THE COST OF YOUR COURSE WITH OUR FINANCE – UPTO 12 MONTHS.

TO APPLY EMAIL US AT [\*\*STUDIOOFCOSMETICS@OUTLOOK.COM\*\*](mailto:STUDIOOFCOSMETICS@OUTLOOK.COM)

(Please include your full name, email, phone number and the course you wish to finance)

## INSURANCE

All our courses are Accredited and Certified meaning you can gain insurance on completion providing you have the pre qualifications that is outlined on each of the course's information page.

Please note in some cases we cannot be responsible if you are declined by insurances. This would depend on your local council, insurer and any new laws that could come into place in the future.
